

JOB OPPORTUNITY

Job Opportunity Bulletin:	#08-115
Final Filing Date:	Until Filled

Position:	Salary:	Location:
Senior Information Systems Analyst (Specialist) or Staff Information Systems Analyst (Specialist) ***Reissue***	\$5,571 - \$7,109 \$5,065 - \$6,466	Office of Statewide Health Planning & Development Administrative Services Division Information Technology Services Section 400 R St, Room 380 Sacramento, CA 95811-6213

General Statement:

The Senior Information Systems Analyst (Specialist) (SISA) will serve as the technical lead for a recently approved project to replace an existing obsolete system to track hospital construction projects. The SISA will work closely with the customer and the project manager to implement the new system. The new system will use COTS components for project tracking and workflow, electronic plan review software (BIMS, CAD, engineering software), and document management software (Sharepoint). To be successful, the candidate should have experience working on large web application development projects.

Existing application development tools include Microsoft Visual Studio, Team Foundation Server, SqlServer, Sharepoint, and ESRI mapping software.

Duties:

- Technical Lead - Oversee the work activities of teams comprised of in-house technical specialists, Department of Technology Services (DTS) technical staff, and external Information Technology (IT) consultants.
- System Development - Perform the technical planning, development, implementation and maintenance of project application architectures.
- Technical Consulting – Assist management and staff in research and analysis of new and emerging technologies and methods related to application development.

Desirable Qualifications:

- Rational Project Management Tools experience.
- Implementation and integration of COTS systems experience.
- Sharepoint server administration.
- Project management experience.
- Implementation of the Engineering Graphic Software experience.

Who May Apply:

Applications will be accepted from individuals currently in the class or who have list, transfer or reinstatement eligibility to the class. Individuals with list appointment should attach a copy of their notice of test results. Appointment is subject to SROA/surplus policies. The most qualified individuals will be selected for an interview. This position may be downgraded to a Staff Information Systems Analyst for recruitment purposes.
