**SEEKING MOTIVATED INDIVIDUALS WHO THRIVE ON CHALLENGE AND ENJOY WORKING IN A TEAM!**

The Office of Statewide Health Planning and Development (OSHPD) is a special funded department; this opportunity is not impacted by Executive Order S-09-08. Under general supervision of the Architecture and Infrastructure (A&I) Manager, the incumbent will participate collaboratively in the development of information systems strategies and solutions to meet and achieve OSHPD's business and technology goals and future technology vision.

**Duties:**

- In a collaborative environment with the business representatives; research, analyze, architect, design, and refine OSHPD's Enterprise Web Architect to support application development teams for OSHPD's Sacramento and Los Angeles' offices, and field staff's mobility requirements.
- Plan, design, develop, and integrate web systems consistent with existing or planned network infrastructures, including SharePoint, Web 2.0, .Net
- Provide and maintain a highly available infrastructure through hardware, software, and circuit redundancy.
- Plan, develop, analyze, design, test, implement, and document customer projects.
- Web architecture which includes planning infrastructure changes to accommodate new and changing workload.

**Required Qualifications:**

- SharePoint Administration, SQL Server 2000, 2005, & 2008 Installation, Configuration and Management, Web 2.0, .Net, Cluster Configuration, IIS Administration
- Must have project management and network infrastructure development experience.
- Active Directory design and management skills

**Desirable Qualifications:**

- Information access architecture development experience.
- Ability to write technical documentation, i.e., design specifications, DNS configuration and administration, project charters, project management plans, and sizing estimates for the business reader.
- Work cooperatively in a team environment with technical and business team members.
- Knowledge in Information Technology Information Library (ITIL) a plus.

**Who May Apply:**

Applications will be accepted from individuals currently in the class or who have list, transfer or reinstatement eligibility to the class. Appointment is subject to SROA/surplus policies. Only the most qualified individuals will be selected for an interview. Attach copies of degrees or certificates. Minimum qualifications will be verified.

Interested individuals should submit a State Examination and/or Employment Application, STD. 678, and a resume to:

Office of Statewide Health Planning and Development  
Information Technology Services Section
