BACHELOR OF SCIENCE REGISTERED NURSE SCHOLARSHIP & LOAN REPAYMENT PROGRAMS

The Health Professions Education Foundation offers two types of awards: The Bachelor of Science Nursing Scholarship for the Registered Nurse Program and the Bachelor of Science Nursing Loan Repayment for the Registered Nurse Program. The purpose of these awards is to increase the number of registered nurses and to encourage nurses to practice direct patient care in medically underserved areas of California.

Scholarships are awarded to nursing students accepted or enrolled in baccalaureate degree nursing programs. Eligible applicants may receive up to \$10,000 for one academic year.

Loan repayments are awarded to BSN graduates to repay governmental, educational, and commercial loans accrued while pursuing a BSN degree at a college or a university. Eligible loan repayment applicants may receive up to \$10,000/year for a two-year period.

In return for receiving a Bachelor of Science Nursing Scholarship or Bachelor of Science Nursing Loan Repayment, recipients must agree to practice direct patient care for two years in a medically underserved area of California.

For applications, guidelines, or funding information about the Bachelor of Science Nursing Scholarship and Bachelor of Science Nursing Loan Repayment Programs, please visit us on the Web site:
