SCHOLARSHIP & LOAN REPAYMENTS FOR CALIFORNIA'S HEALTH PROFESSIONALS

The Health Professions Education Program offers two types of awards: the Health Professions Education Scholarship and the Health Professions Education Loan Repayment.

The purpose of these awards is to increase the number of health professionals practicing in the medically underserved areas of California.

Students may receive up to \$10,000 for the Health Professions Education Scholarship. The Health Professions Education Loan Repayment repays up to \$20,000 in educational debt that was incurred while attending a health professional program.

Awards are available for students in and graduates of the following health professional and educational programs:

- *Dentistry*
- *Nurse Practitioner*
- *Physician Assistant*
- *Dental Hygiene*
- *Certified Nurse Midwifery*

For applications, guidelines, or funding information about the Health Professions Education Program please visit us on the Web site:
