LICENSED MENTAL HEALTH SERVICE PROVIDER EDUCATION PROGRAM

The Licensed Mental Health Service Provider Education Program is intended to increase the number of licensed mental health providers available to practice direct patient care in a publicly funded or public mental health facility, or non-profit private mental health facility, or in mental health professional shortage areas in California. Qualified applicants may receive up to \$15,000 in educational loan repayments over a two year period in exchange for providing direct mental health patient care.

For applications, guidelines, or funding information about the Licensed Mental Health Service Provider Education Program please visit us on the Web site:
